Writer: Steve Behling Artist: Steven Butler Letters: Michael Stewart Colors: John Green

IN THE LITTLE GREEN MEN'S LAB...
BUZZ, WE'VE GOT TO STOP THEM!
THEY'VE GOT IT BACKWARD-- THEY'RE SMASHING, NOT FIXING!
OOOOOOOH.
WE MUST FIX THE MACHINE.
CRASH!
YOU'RE RIGHT ABOUT ONE THING, RANGER--

--THEY'VE GOT IT BACKWARD!
KA-BLAMMM!
OOOOOOOH!

WHAT'S GOING ON HERE?!?
WE BUILT A MACHINE POWERED BY FOOLIUM, A RARE ELEMENT. BUT WE FORGOT ABOUT THE FOOLIUM EFFECT--
--WHICH MAKES EVERYONE ACT BACKWARD!
I'VE SEEN THIS BEFORE! I ONCE MET A FOOLIUM MINER, BACKWARD BOB!
SHOULD HAVE SEEN HIM TRY TO EAT PUDDING! -CHUCKLE- WHAT A MESS!

SO THAT'S WHY YOU SAID YOU WERE FIXING THE MACHINE!
YES! THE OPPOSITE OF 'FIX' IS 'BREAK.' WE NEEDED TO BREAK THE MACHINE!
IT'S A GOOD THING WE WERE AWAY FROM STAR COMMAND, BOOSTER--
--OR WE WOULD HAVE BEEN AFFECTED, TOO!
BUT NOW, EVERYTHING'S BACK TO NORMAL, SO...

YOU DUMPED THIS BUCKET OF WATER ON ME, XR? YOU MENACE--
--YOU'RE FIRED!
HEH HEH-- YESSIR, EVERYTHING'S BACK TO NORMAL!
THE END!
